Program Information

There are hundreds of thousands of potential customers that have no knowledge of your products, much less where they can purchase them, or worse, perhaps that you even exist!

BCA will market your products or services, at no cost to you, through our website and network. They simply logon, purchase one of your items at SRP, and designate which organization is given the proceeds. They get an item they want and get a tax deduction, the organization gets a donation, you sell an item, and we make a commission.

Win — Win — Win — Win!

In addition, you may choose to donate additional funds to certain charities or organizations depending on your company's ongoing programs or funding.

All you have to do is fill the order & ship it.

Dramatically increase your sales!
